SOURCE MODEL: Not assigned · CATALOGUE REFERENCE: MFX-262182

US USB Furniture Power Outlet

US USB Furniture Power Outlet is a power module for furniture integration. The supplied record identifies US plug or socket configurations. Confirm the exact variant, connector layout, supply plug, cord and installation drawing with our factory before ordering. Model-specific dimensions and compliance documents should be checked against the selected order code and destination requirements. Contact our factory to confirm the configuration required for your furniture project.
